Due to Covid-19 and our commitment to keep families and children healthy and safe, St. John’s will only require one admission test for Grades 5-12 for the 2020-2021 admission season – ISEE or SSAT. While each of these tests can be taken multiple times, parents are only permitted to submit ONE of these test results to St. John’s School by the deadline of Friday, January 29, 2021.

Testing options include:

**ISEE**
There are several ways that ISEE testing can be achieved, and students may take this test up to 2 times during this admission season (once from August to November and again December to January). Go to [www.iseetest.org](http://www.iseetest.org) to learn more. The various options include:
- Prometric
- Education-Specialists (testing in small groups of 5)
- At Home (go to [www.iseetest.org](http://www.iseetest.org) to learn more)
- At your current school (several K-8 schools will be administering testing to their 8th grade students – please check with your school to find out if this option is available)
- Pen and Paper option at another school (check [www.iseetest.org](http://www.iseetest.org) for open sites or use codes for closed sites which will be given after applications have been completed)
- Pen and Paper option at St. John’s School – We are a closed site (offered only to those who are applying to St. John’s), and will be testing larger groups broken into smaller classrooms using social distancing protocols. Event codes to register will only be given after an application to St. John’s has been submitted and processed.

**Classes 5-6:** Saturday, November 14, 2020 @ 8:00 am (Event Code will be available after application is processed)

**Classes 5-6:** Saturday, November 14, 2020 @ 1:00 pm (Event Code will be available after application is processed)

**Classes 7-12:** Saturday, December 12, 2020 @ 8:00 am (Event Code will be available after application is processed)

**SSAT**
The only option for families who live in Houston to take SSAT is At Home, and this test may be taken up to 5 times during the admission season using the At Home option. For families who live outside of Houston, please check other available ways that this test might be taken (the number of times will vary depending upon the option). Please go to [www.ssat.org](http://www.ssat.org) to learn more.

Please remember that only ONE test can be submitted for your child’s application, and we do not super score or consult with families regarding these tests. If you choose to submit ISEE, our school code is 443425. If you choose to submit SSAT, our school code is 6551.
